

DRAFT PROGRAMME AT 9 OCT

The YEMCo Conference is sponsored by:

The Rotterdam port is the largest in Europe and the fourth largest in the world. It has been the gateway to Europe for the last half century. The pivot point of numerous, key trade streams, in and out of Europe. Rotterdam can reach 80% of European consumers within 24 hours. For the first time in its 8 year history, YEMCo will visit a port and focus on import of meats to the EU.
